

# Get Involved with AACRAO

---

Updated August 2024

**#AACRAO**

American Association of Collegiate Registrars and Admissions Officers

# Partnerships

AACRAO works hard to stay connected with our State & Regional organizations.

- Every June, AACRAO invites at least one leader from each State & Regional to attend the Leadership Meeting to receive updates about AACRAO's strategic initiatives, share new ideas, and connect with colleagues.
- The State & Regional Leadership Community in the Exchange allows for connection across organizations and with AACRAO.

# AACRAO Exchange

The Exchange is AACRAO's online community platform. It connects AACRAO members with one another outside of in-person events to advance the pursuit of excellence in admissions, registration, and enrollment services professions.

# Volunteer with AACRAO

In addition to the Exchange, AACRAO has a lot of volunteer opportunities for members:

- Caucuses
- Professional Activities Committees (PACs)
- Programmatic Liaisons
- Authorship Opportunities

# AACRAO Productions

AACRAO also offers:

- Blogs
- Podcasts
- Newsletters

You can subscribe to stay up-to-date and contribute to the content.

# AACRAO Publications

AACRAO has two quarterly journals, SEMQ (Strategic Enrollment Management Quarterly) and C&U (College and University) publishes research.

You can subscribe to stay up-to-date and contribute to the content.

# AACRAO Webinars

Webinars are presented on a variety of topics for further learning and professional development. Some topics include technology, strategic enrollment management, admissions, FERPA, transfer credential evaluation, and international education.
